**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I was able to choose Sonic internet as my ISP because I had the option to avoid Comcast and AT&T, two very large ISPs that in my experience have offered worse service at a higher cost. Sonic, a local internet company, offers me extremely fast fiber internet and great customer service at a very reasonable price that the bigger companies can't compete with. Without the fiber internet the I have now, it would be very difficult for me to keep up my job as a software engineer, as I'm often forced to work out of my home.
